

The Apollo Years

Synopsis

["The Apollo Years"](#) reviews the missions that were Apollo!

"The Apollo Years" reviews all the Apollo missions, back-to-back.

This is an historical document and documentary.

Using only archival film and the authentic communications between the Apollo capsules and Mission Control.

There is no narration; there is some music by the "Cud Chewing Cows" (aka 3C - www.CudChewingCows.com), no fancy Graphics, nothing but what happened, what was said, when and by whom.

Duration: 139 minutes

Featuring:

- All the Apollo Astronauts, All the Apollo Missions
- President Kennedy, President Johnson and President Nixon
- And a celebratory performance by Frank Sinatra
- Original Music by 3C (Cud Chewing Cows)

"The Apollo Years" will be available on DVD in early August at both www.SpaceViz.com and www.Amazon.com.
