New York, 20 June 2007

Dear Mr. Moidel,

2007 marks the 50th anniversary of the launch of Sputnik I, the first artificial satellite, the 50th Session of the UN Committee of the Peaceful Uses of Outer Space and the 40th Anniversary of the UN's Outer Space Treaty. 2007 was also declared International Geophysical Year.

To celebrate these special anniversaries, we are proud to air your documentary "Planetary Defense" on Saturday, June 30th, at 8 PM on UN Television, Channel 78 in New York and also globally on our webcast portal.

Best regards,

I Kasper  
Project Coordinator  
Channel 78
